

The Upper Bear Creek Unincorporated Area Council is hosting

# Citizens for a Quieter Avondale

Who are we?

We are neighbors concerned about unhealthy traffic noise and unsafe conditions on north Avondale Road. We need the traffic noise to go from this

to this.

Please join us:

**Tuesday, April 22**

**7:30pm**

Woodinville Water District Building  
17238 NE Woodinville-Duvall Road

The neighborhoods along Avondale Road from 134th Street to Woodinville/ Duvall Road are gathering together to meet with County officials to explore ways to make Avondale Road safer and quieter. Come join us and learn what avenues we need to take to make our goal a reality. If you have questions, want to join our effort, or are unable to attend and would like to submit comments, please email us at: [QuieterAvondale@gmail.com](mailto:QuieterAvondale@gmail.com).

*The louder we are, the quieter Avondale will become.*

---

Upper Bear Creek Unincorporated Area Council Serves 22,000 people in north-central King County between the Sammamish and Snoqualmie Rivers and north of Redmond and east of Woodinville.

The Upper Bear Creek Community Council meets the second and fourth Tuesdays of most months. The purpose of the council is to inform, assist and represent our community in dealing with King County government and other entities with respect to issues that affect our community.

The Upper Bear Creek Community Council is actively recruiting board members. For more information about us, please visit our website at [www.upperbearcreek.com](http://www.upperbearcreek.com).
